Arharn Thai

Arharn Thai is a Thai phrase meaning Thai food.

Thai cuisine comes to life with the five essential flavours, Spicy, Salty, Bitter, Sweet and Sour.

Individually, these flavours are very powerful, however a skilled Thai chef can create delicate mixtures. For over 20 years, our chefs have fine-tuning mixtures of these flavours. Some flavours have a key role in recipes, whilst others have subtle hints.

We invite you to explore the five flavours and wonderful combinations of arharn Thai in our dishes.
